

## ICADTS FOUNDATION

### **Stipends for Young Scientists to Attend the T2022 International Conference in Rotterdam, The Netherlands, August 28-31, 2022.**

A Stipend (€ 1,000.00, including registration fees) is intended to help young scientists in the field of traffic safety and forensic toxicology to attend T2022.

Formal conditions:

- The application should be submitted by a person (under the age of 36 years) working in related fields of alcohol, drugs or traffic safety.
- Recipients of the Stipend will present (within 30 days after the Conference) a short report on their participation in T2022 for publication in the Newsletter of ICADTS, *The Reporter*.

Application:

Applicants should submit a request and disclose the following information:

- a) Name of the applicant
- b) Summary of applicant's background, including job description (not longer than one page A4)
- c) Details on the cost calculations
- d) Declaration by the applicant's supervisor that alternative funding to attend is not available for scientists from developing countries or by the student's or young scientist's mentor
- e) A description of how attending the event will help improve the career of the scientist
- f) Whether or not the applicant is a member of ICADTS
- g) Whether or not the applicant is submitting an abstract for the meeting
- h) Whether or not the applicant has attended an ICADTS meeting and whether support has been obtained previously
- i) Declaration by the applicant that he/she will accept the Stipend's formal conditions and will agree that the decision by the Executive Boards of ICADTS is not subject to appeal.

Deadline for submission:

Applications must be forwarded to the T2022 Organizers before **1<sup>st</sup> of March 2022**.
